**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net provides a valuable service that I trust. Trust is a challenging trait to find in any other internet provider. Please keep it fair for the small guys. I know from years of experience as a customer of sonic that they will do the right thing, and deserve to do business without artificial imposed restrictions from larger more powerful companies.
